

# ROYAL 245

## SPIRAL PAPER TUBE WINDING MACHINES

Festoon Unwinder

Multi Knives Inline Cutter

- The Spiral Winding Lines are suitable to produce of light or heavy Paper Tubes between 1-40 plies.
- Mainly used for the following applications ;
- Textile Cores
- Film Cores
- Paper Mills Cores
- Aluminium Foil Cores
- Tissue Cores
- Metal Cores
- Tape & Label Cores
- Mailing Tubes
- Shipping Tubes
- Construction Cores
- Spiral wound recycled paper Cores

Diameter Range	25 mm–280 mm(1"–11")
Wall Thickness	Up to 15 mm
Number of Plies	2 to 24
Belt Speed	Up to 120 m/min
Linear Tube Speed	Up to 50 m/min
Ply Width	40 to 170 mm
Cutting Cycle/min	from 40 to 100 cycl/min
Cut Length	30 mm to endless

PAPER FORMING INNOVATION SINCE 1985
